BALANCING STATEMENT

Legitimate Interest means the interest of our business in conducting and managing our business to enable us to give you the best service/product and the best and most secure experience. We make sure we consider and balance any potential impact on you (both positive and negative) and your rights before we process your personal data for our legitimate interests. We do not use your personal data for activities where our interests are overridden by the impact on you.

Marketing activity

When consent is received from customers, B&B Ireland conduct different marketing activities based on the collection and processing of this data. B&B Ireland rely on legitimate interest as a grounds to collect and process this data. The benefits of this type of data processing is to improve the booking experience and to provide users with the content and products, they are looking for. The marketing activity includes, tracking website usage in order to improve usability, email collection to provide users with information and promotional material, conversion tracking to inform marketing decisions, re-targeting in order to provide users with further information and options for the B&B product.

Necessity Test

B&B Ireland use cookies on the website in order to achieve the data collection. Users need to provide consent for B&B Ireland to access and process this data. This information is important to B&B Ireland in order to support users in securing B&B accommodation in their desired location. It is also important for B&B Ireland to track these marketing activities in order to improve the marketing process and website usability.

Balancing Test

The data that B&B Ireland are collecting through cookies is anonymous data, protecting the individual during marketing activities. The data collected for email marketing is secured and only used for the purpose of which consent was given. There is no sensitive data collected and any data that is collected and processed is protected.

The data is collected and processed to support users in the B&B Ireland booking experience. Users have provided consent for this type of marketing activity and have the ability to withdraw the consent at any time.
